

MEMORANDUM OF UNDERSTANDING (MOU)

BETWEEN

ALMALYK STATE TECHNICAL INSTITUTE

AND

BAREILLY COLLEGE, BAREILLY

MEMORANDUM OF UNDERSTANDING (MOU)

BY AND BETWEEN

ALMALYK STATE TECHNICAL INSTITUTE (hereinafter referred as "**ASTI**"), whose registered head office is at 110100, Tashkent region, Almalyk city, Mirzo Ulugbek Street, 45, Uzbekistan, referred to as "**FIRST PARTICIPANT**"

&

BAREILLY COLLEGE, BAREILLY (hereinafter referred as "**BCB**"), whose registered office is at Bareilly Uttar Pradesh (INDIA) - 243001, India, referred to as "**SECOND PARTICIPANT**".

ASTI and **BCB** are hereinafter referred to collectively as "**PARTICIPANTS**" and individually as "**PARTICTPANT**". Both participants have reached the following intent to collaboration as per below described articles of this MoU. The participants, having discussed fields of common research interests and allied activities between the two institutions, have decided to enter into long-term collaboration for the promotion of Inter-Institution interaction, teaching, research, faculty & student development programs for the furtherance of students and faculties.

ARTICLE 1: PURPOSE & AREAS OF COLLABORATION

Based on the common educational philosophy and academic development goals, the two schools have reached the following Memorandum in order to promote academic exchanges, teacher visits and joint application for projects.

- a. **Joint Research & Development Project Applications:** Faculties, Research Scholars, and Students (PG & UG) from both Participants for collaborations in research activities, internship and data collection. Further, Participants shall actively coordinate the organization of teacher teams for joint applications for both domestic and international research projects. Upon project approval, both Participants will jointly execute the research tasks and distribute the research outcomes in accordance with the terms outlined in the project contracts.
- b. **Collaborative Publication of Artieles:** Encourage teachers from both participants to conduct collaborative research and jointly write academic papers. Support teachers from both participants in publishing their collaborative achievements in academic journals and conferences, and mutually recommend outstanding academic journals and conferences.
- c. **Teacher Exchange Visits:** Teachers from both participants shall regularly conduct exchange visits to learn about the teaching, research, and management situations of each other's school. During the visit, the host participant shall provide necessary support and assistance, including arranging lectures, seminars, and laboratory visits.
- d. **Student Exchange Learning:** Both participants shall organize regular exchange activities such as academic seminars, to enhance the friendship and understanding between teachers and students. During the exchange activities, both participants shall

fully showcase their respective cultural characteristics and academic achievements to promote cultural exchange and integration.

c. Organizing online/offline Conferences, Workshops, Faculty and Student Development Programs: Experts from ASTI and BCB may do collaboration for organizing online/online seminars/conferences, workshops, training, faculty and student development programs on mutual key thrust areas.

f. Joint Certificate/Diploma Programme: The different department/schools of ASTI and BCB such as Pure Sciences, Applied Psychology, Pharmacy, Bio-Technology, Bio-Chemistry, Microbiology, and Environment Science and Computer Science may partner for starting joint courses and programs. Further, the both participants will also agree to recognize the each other as an Institute for conducting research related to the thesis/master dissertation requirement of the research students for M.Sc. and Ph.D. degree of life sciences and applied sciences.

ASTI and BCB will recognize each other scientists/faculties as recommended by governing bodies of both university in accordance with the University rules and regulations for guiding students of undergraduate postgraduate and Ph.D. program as co-supervisor.

Research instrumentation facility and library facilities along with e-Resources available with the First participant and the Second participant will be made available to the faculty, students and research scholars. However, the costs of specific consumables will be borne by the respective organizations.

There shall be an exchange of students for academic, research and training purposes. Accommodation in the Hostel shall be arranged, wherever possible, as per extant rates. The duration of exchange visits will be determined by mutual consent between both participants.

ARTICLE 2: TERMS AND CONDITIONS OF MOU

2.1 Finance

Both participants understand that all financial agreements will have to be negotiated separately and will depend on the availability of fund.

Both participants acknowledge that exchange of students from one participant to the: other shall be subject to the availability of funds and shall comply with the regulations and policies of the First participant and the Second participant.

Both participants shall be responsible to carry out the activities under the area of collaboration and New Project Program, Conference, Seminar, Workshops and the like which is co-designed/organized by both participants.

The financial arrangements wherever involved will be decided and approved after mutual consent and shall be agreed to for each activity individually.

2.2 Amendment
